¹ Link from Industry Application and/or QR-Codes to Topics ² default: Acolada SIRIUS, STAR AG or WebWorks CloudDrafts with TechCommToGo API

Partner

Partner are solution or service provider and acting on their own behalf. Partner organizes the TechCommToGo Technology thru their own access to the Web portal and can manage their own customers and their channels and containers.

Default costs starting a TechCommToGo project

Setting up the Channel	2.000,00 EUR
TechCommToGo API ³ plus 18% Maintenance/anno	5.000,00 EUR
WebWorks/FrameMaker or/and CMS ⁴	on request
Requirement/solution Catalog, Pflichtenheft	on request
Stationery	on request
Coaching, Support (ticket.squidds.de)	on request

Hosting costs

Valid for Standard and Professional Edition.

Invoice from SQUIDDS to partner or to your customer and channel.

Edition STANDARD (only for 1 -20 managed container)

▶ 1 – 10 container	monthly (plus VAT)	29,00 Euro
▶ 11 – 20 container	monthly (plus VAT)	39,00 Euro

User⁵: initially unlimited

Edition PROFESSIONAL

First, calculate all users who will connect the TechCommApp and the sum of all needed containers.

Second, the hosting cost is the higher result of managed containers or all users who will connect.

Price for managed container⁶ (typically)

▶ 1 – 10 container	monthly (plus VAT)	34,00 Euro
▶ 11 – 20 container	monthly (plus VAT)	45,00 Euro
▶ 21 – 100 container	monthly (plus VAT)	54,00 Euro
▶ ab 100 container	monthly (plus VAT)	79,00 Euro
▶ ab 500 container	monthly (plus VAT)	349,00 Euro
▶ ab 1.000 container	monthly (plus VAT)	599,00 Euro
▶ ab 10.000 container	monthly (plus VAT)	(on request)

³ Price for partners ask SQUIDDS

⁴ Add-on price for Professional Edition plus Maintenance. Included for Enterprise Edition.

⁵ User = managed users in TechCommToGo + all users who will take the TechCommApp (Potential)

⁶ Managed container (one zip with HTML5 responsive, PDF, ...)

Price for all user (potential, typically)

▶ ab 10 users	monthly/user (plus VAT)	6,00 Euro
▶ ab 20 users	monthly/user (plus VAT)	5,00 Euro
▶ ab 50 users	monthly/user (plus VAT)	4,00 Euro
▶ ab 100 users	monthly/user (plus VAT)	3,00 Euro
▶ ab 500 users	monthly/user (plus VAT)	1,00 Euro
▶ ab 1.000 users	monthly/user (plus VAT)	(on request)

Sample:

Your customer (with one or more Channel): 1.000 container, 100 user
1.000 containers = 599,00 EUR, 100 users = 300,00 EUR

Result for the hosting costs:

1.000 > 100 users, so the hosting costs = 599,00 EUR/month

Edition ENTERPRISE

„Your TechCommApp with your own CI colors, on all platforms, with your own APP icon in your Store.“

You can add own features like search, language controls, ... (on request).

Price: from 25.000,00 EUR plus 18% Maintenance/anno
Containers, Users unlimited and API included.
